6. Defendants DOES 1-10, inclusive, are other parties not yet identified who have infringed Prokos's copyrights, have contributed to the infringement of Prokos's copyrights, or have engaged in one or more of the wrongful practices alleged herein. The true names, whether corporate, individual or otherwise, of Defendants 1 through 10, inclusive, are presently unknown to Prokos, who therefore sues said Defendants by such fictitious names, and will seek leave to amend this Complaint to show their true names and capacities when same have been ascertained.

7. Prokos is informed and believes and thereon alleges that at all times relevant hereto each of the Defendants was the agent, affiliate, officer, director, manager, principal, alter-ego, and/or employee of the remaining Defendants and was at all times acting within the scope of such agency, affiliation, alter-ego relationship and/or employment; and actively participated in or subsequently ratified and adopted, or both, each and all of the acts or conduct alleged, with full knowledge of all the facts and circumstances, including, but not limited to, full knowledge of each and every violation of Prokos's rights and the damages to Prokos proximately caused thereby.

CLAIMS RELATED TO PROKOS'S PHOTOGRAPH

8. Prokos is a renowned and award-winning professional artist who earns his livelihood through the sale and licensing of his photograph and photography services.

9. In the time period between 6/2010 and 12/2011, Prokos created a photograph of the Brooklyn Bridge and Manhattan panorama at dusk. The title of the photograph is "BROOKLYN-BRIDGE-AND-MANHATTAN-PANORAMA-DUSK-2420-1000PX-500x218@2x.webp". The photograph is an original photograph composed by Prokos. Prokos is

the owner of the photograph, which was registered with the United States Copyright Office before the infringement at issue. A true and correct copy of the photograph (“Subject Photograph”) is reproduced below:

10. Prokos regularly promotes his photographs through his website, www.andrewprokos.com. Prokos places his name or his watermark, which is his last name “PROKOS” in capital letters in a box, on all of his photographs that he puts on this website.

11. Prokos is informed and believes and thereon alleges that Defendants operate a website at www.harri.com where they advertise for business, promote their business and generate income by receiving commissions for, among other things, connecting job seekers with potential employers.

12. Prokos’s investigation revealed that Defendants, and each of them, were displaying Prokos’s Subject Photograph (the “Infringing Photograph”) on the Website, without Prokos’s authorization. Defendants used the Infringing Photograph to market, advertise and generate income for Defendants’ own businesses.

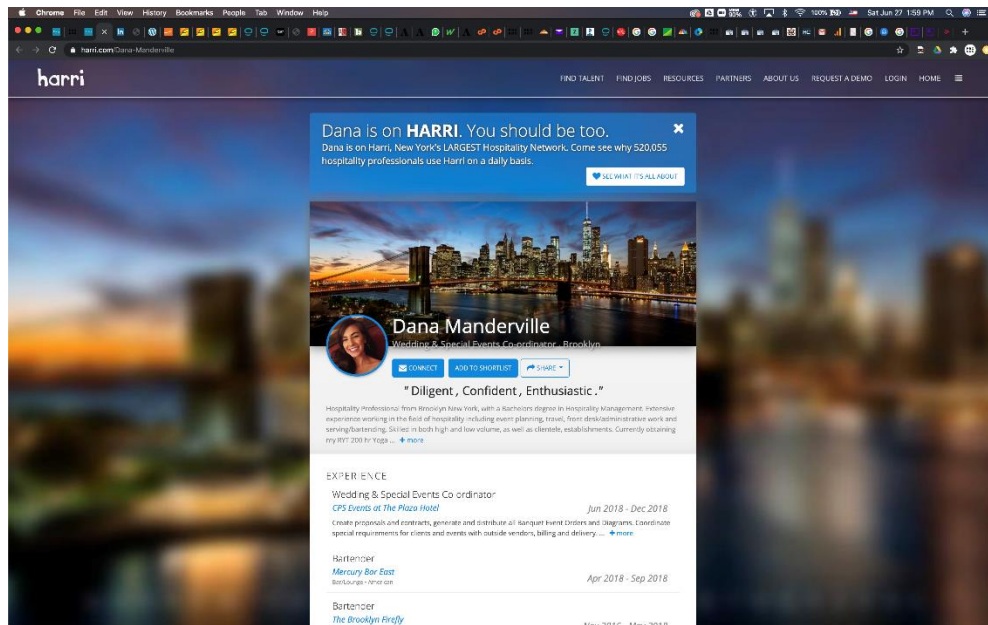

13. Prokos’s investigation revealed that Defendants, and each of them, also reproduced,

distributed and /or licensed Prokos's Subject Photograph to other parties to use and display in violation of Prokos's exclusive rights to reproduce and/or distribute the Subject Photograph. Prokos has been unable to determine the extent of Defendants' unlawful reproduction and/or distribution of Prokos's Subject Photograph.

14. Further, Defendants' Infringing Photograph does not include Prokos' watermark. Prokos is informed and believes and thereon alleges that Defendants intentionally removed Prokos' watermark.

15. Defendants do not and never had authorization to use the Subject Photograph. True and correct screenshot of Defendants' infringing use of the Subject Photograph on the Website is reproduced below:

21. Prokos is informed and believes and thereon alleges that Defendants, and each of them, infringed Prokos's copyright by copying the Subject Photograph and publishing, displaying and distributing the Infringing Photograph to the public, including without limitation, on www.harri.com and in physical form without Prokos's authorization or consent.

22. Due to Defendants', and each of their, acts of infringement, Prokos has suffered general and special damages in an amount to be established at trial.

23. Due to Defendants' acts of copyright infringement as alleged herein, Defendants, and each of them, have obtained direct and indirect profits they would not otherwise have realized but for their infringement of Prokos's rights in the Subject Photograph. As such, Prokos is entitled to disgorgement of Defendants' profits directly and indirectly attributable to

Defendants' infringement of his rights in the Subject Photograph in an amount to be established at trial.

24. Prokos is informed and believes and thereon alleges that Defendants, and each of them, have committed acts of copyright infringement, as alleged above, which were willful, intentional and malicious, which further subjects Defendants, and each of them, to liability for statutory damages under Section 504(c)(2) of the Copyright Act in the sum of up to one hundred fifty thousand dollars (\$150,000.00) per infringement. Within the time permitted by law, Prokos will make his election between actual damages and statutory damages.

SECOND CLAIM FOR RELIEF

(For Violations of the Digital Millennium Copyright Act (17 U.S.C. §1202))

25. Prokos repeats, re-alleges, and incorporates herein by reference as though fully set forth, the allegations contained in the preceding paragraphs of this Complaint.

26. Prokos is informed and believes and thereon alleges that Defendants, and each of them, violated 17 U.S.C. §1202 by intentionally removing and/or altering the copyright management information, including information identifying the name of the author and owner of, the Subject Photograph, and distributing copyright management information with knowledge that the copyright management information had been removed or altered without authority of the copyright owner or the law, and distributing and publicly displaying the material, knowing that copyright management information had been removed or altered without authority of the copyright owner or the law, and knowing, or, with respect to civil remedies under section 1203, having reasonable grounds to know, that the conduct would induce, enable, facilitate, or conceal an infringement of any right under this title.

27. The above conduct is in violation of the Digital Millennium Copyright Act and exposes Defendants, and each of them, to additional and enhanced common law and statutory

damages and penalties pursuant to 17 USC § 1203 and other applicable law.

28. Prokos is informed and believes and thereon alleges that Defendants, and each of their, conduct as alleged herein was willful, reckless, and/or with knowledge, and Prokos resultantly seeks enhanced damage and penalties.

Wherefore, Prokos prays for judgment as follows:

Against all Defendants, and Each:

With Respect to Each Claim for Relief:
